

Embed confidence; fuel ambition.

19 April 2024

Dear Parent/Carer

I hope you and your family had a relaxing holiday; it has been nice to welcome students back to school this week during assembly.

Year 7 Parents Evening Booking now open

If you are new to Lawnswood school, you may not be used to our online booking system. You can access the form either via our website or by going to [SchoolCloud - Lawnswood School](#). Please enter your child's details and you will then be able to book appointments with any teachers that you wish to. Appointments do fill up quickly, so it is advisable to make appointments as soon as possible. The evening will take place face to face, in the school hall on Wednesday 1 May.

Free level 2 training courses

Shipley College is offering a range of free Level 2 courses which may be of interest to you. The courses are distance learning and range for a few weeks depending on the course topic. Please see the attached leaflet, and if you have any questions, please contact the college's enrolments team on enrolments@shipley.ac.uk.

L57 Bus Service

We are aware, and equally frustrated, about the poor service provided by the L57 recently. The service is commissioned for Lawnswood students by Metro who are the local transit authority and therefore, we do not have any control over this service or commission. However, we have raised our concerns as well as yours, with Metro and understand that they are launching an investigation into the service. If you have any further concerns about the service, you can contact Metro directly via their website [Contact us | Metro \(wymetro.com\)](#).

Community Day Trip

Thank you to all the families who have already consented for their child to attend the community day trip on Wednesday 17 July. We are once again excited to be offering the opportunity to your child. We still have 468 students who currently do not have consent to go on the trip. If you haven't provided consent yet, please can you check your inbox and respond to the Evolve email notification as soon as possible. Without consent your child cannot attend the trip. To support those families who have not yet consented, we have extended the deadline to Friday 10 May.

For the families who have already consented, ParentPay will be available as a reducing balance from the end of the working day on Monday 22 April. As you can appreciate, trips of this size require a lot of planning and funding, therefore we would appreciate you making the voluntary contribution towards the cost of the trips. We do hope that your child can join us for the visit, if you have any problems,

reservations or questions about the respective trips, please contact your child's year team in the first instance.

Key dates for your diary – week beginning 22 April
