Year 13 – 'One Life Lost' - West Yorkshire Police

## Assembly

- Year 12 and 13– 24.4.24

**Attendance is compulsory**

## UCAS responding to offers

Students who missed the session from the University of Bradford can get advice from the UCAS website or speak to Ms Ullah if you are concerned about the process. The main points to note are:

It is highly advisable to wait for ALL your offers before taking any action so you can consider your response carefully

- You are required to make one FIRM choice – this will be your most favoured university with achievable entry requirements
- You must then make your INSURANCE choice – be careful to make sure that this has a lower entry requirement to your first choice and that you are prepared to go there. NB On results day, if you don't meet the entry requirements for your first choice, the insurance choice will become your firm offer and you will be expected to take this up.
- Finally, you will need to decline any other offers.

**Reply dates** - These are based on when we get the last decision in from your unis or colleges.

**Check your application to see your personal deadline.**

- If you receive your last decision on or before **16 May 2024**, your reply date is **6 June 2024** (except if you're using Extra to find a place).
- If you receive your last decision on or before **17 July 2024**, your reply date is **24 July 2024** (including Extra choices).
