teacher assessment
here.

Teacher assessment

Can I describe the similarities
and differences between light and
sound waves?

Stick your
self assessment
here.

Self assessment:

Can I explain the change in direction that
happens when light enters glass?
Can I describe the colours that make up
white light and how to separate them?

Peer assessment:

Can I describe why only some
surfaces reflect light?
Can I describe the path light rays
take that allows us to see?

Stick your
peer assessment
here.
