10 November 2023

Dear Parent/Carer

Year 11 updates – amendment to Key Dates & Sixth Form Open Evening

Further to the letter you received with the latest progress report I would just like to apologise for the error in the date of the mock exams. These formal practice exams will take place in the week beginning 4 December. Please do take some time to talk to your child about how they are preparing for these, and whether they are coming along to all the different sessions teachers are offering at lunch time and after school.

I would also like remind you that we hope to see every Year 11 student and their families at the Sixth Form Open Evening on Thursday 16 November, between 5.00-7.00pm. We are extremely proud of our Key Stage 5 provision and are looking forward to giving you the opportunity to talk with teachers, hear from students and see the amazing facilities we have to offer our students when they reach this important stage in their education.

Yours faithfully

Mrs J Bell
Headteacher
