## **KS5 Kitchenette**

Students are welcome to make hot drinks in the sixth form kitchen **but must clean up after themselves**. In order to buy milk etc. We ask for a small contribution from students. There is a donation jar in the kitchen. If we don't collect enough donations, we will not be able to replenish tea/coffee/milk.

## **Opportunities**

### **The London School of Economics and Political Science Springboard**

LSE Springboard provides participants with a taste of university-level teaching and learning at LSE, as well as the information needed to make a competitive application to LSE and other high-tariff universities.

The programme is delivered in a hybrid format. Participants will be invited to LSE Springboard campus days to fully experience the LSE community alongside participating in a full online programme involving academic enrichment and information, advice and guidance.

The programme is free to participate in, with the cost of all activities and travel to and from campus covered by LSE. Successful participation in and completion of the LSE Springboard programme will enable participants who apply to LSE to be considered for a contextual offer.

See [Admissions information \(lse.ac.uk\)](https://lse.ac.uk) for full details and all eligibility criteria.

## **Pathway to Law - Sutton Trust – Year 12**

Pathways to Law is a programme that looks to inspire and support students to explore a range of careers in law and build essential knowledge, skills and confidence required to go on to higher education and the world of work. All Pathways to Law students are also offered real-life experience, with a work placement, and mentoring and networking opportunities. The programme was established in 2006 by the Sutton Trust and the Legal Education Foundation, with generous support from our partner law firms and is the largest initiative of its nature. Pathways to Law was developed to widen access to the legal profession, as research by the Sutton Trust had shown that the top echelons of the professions were drawn from a narrow range of social backgrounds. The programme aims to raise students' aspirations and allow them to make informed decision about their future career.

Please register your interest below to be notified when applications open for the 2024/2025 programme - [Register your interest for 2024/5 Sutton Trust programmes \(tfaforms.com\)](#)

**For further details please see** <https://www.suttontrust.com/our-programmes/pathways-to-law/>

## **Pathway to Medicine - Sutton Trust – Year 12**

Pathways to Medicine was developed to widen access to the medical profession. The programme provides both academic support, so that students achieve the grades needed for highly competitive medical school places, as well as providing sector specific support – such as work placements, mentoring, networking and skills workshops. All of which build the essential knowledge, skills and confidence required to go on to higher education and the world of work. The programme was launched in 2012 at Imperial College London and expanded to Hull York Medical School in 2015. The programme is funded by Health Education England. Research by the Sutton Trust has shown that the top echelons of the medical professions were drawn from a narrow range of social backgrounds. The programme aims to raise student's aspirations and allow them to make informed decision about their future career.
