Dear Parent/Carer

Today we said goodbye to Year 11 and Year 13 who will now only come into school for their exams. It has been a privilege to be part of their education at Lawnswood School. We wish them well for the remainder of their exams and look forward to seeing them in the summer to celebrate their results.

### **Year 7 Equipment**

After the half-term break, we are working with Year 7 students to ensure that they have all the equipment that they need in school each day. All students should have this equipment, but especially if your child is in Year 7 could you ensure that they have;

A bag big enough to fit their books into, 2 black pens, 1 purple pen, 1 green pen, 2 pencils, an eraser and a ruler. Students also require a calculator.

We want students to be able to take books home so that you can look at them with your child but at the moment many students have either no bag or a very small one. Students can buy a range of equipment from our shop in school that opens at break times. Pencils and black pens are 5p, green pens, purple pens and rulers are 10p.

### **Morley Apprenticeship Festival**

The festival will take place on **Saturday 19 July 2025** and aims to give students a valuable insight into career pathways, local training providers, and the skills employers are really looking for.

The day will feature:

- A wide range of local and national employers
- Interactive stands and demonstrations
- Information on apprenticeship programmes and career routes
- Opportunities to speak with training providers and current apprentices
