Dear Parent/Carer

New resources and support for PSHE for parent and child (Peerscroller)

Smartphones and social media put a whole universe of information at your fingertips, but it can also be difficult to know what you can trust. Students at Lawnswood School are among the first in the country to get access to Peerscroller, a brand new PSHE and wellbeing resource.

Peerscroller puts essential life skills into bitesized TikTok-style videos - all delivered by relatable role models. Peerscroller's bank of videos provide trustworthy and relatable information on the topics every young person needs to know about; whether that's PSHE curriculum content or a trustworthy source of advice on up-to-the-minute topics like vaping, digital wellbeing, and more.

How can you get involved?

You can download the app now and start browsing content, via the App Store on iOS or the Play Store on Android.

Lawnswood Roundabout Scheme - update from Eric Wright Civil Engineering

This week we are continuing works on the roundabout centre, preparing for the deep drainage works. We continue to liaise with Yorkshire Water to resolve design issues in this area. Our sub-contractors Civcon have commenced kerbing and footway ducting on the A6120. On Wednesday evening (night works) the mobile pedestrian crossings were relocated, further away from the roundabout, in line with feedback received. We welcome any feedback on the new positions. Thank you to everyone who attended our Meet the Team afternoon at Weetwood Hall, Tuesday 7th October. We hope the presentations and discussions were helpful. Thank you for all the questions raised; the points taken away are being discussed and we will assist where possible. If you were unable to attend and would like to arrange a call or appointment to see us, please contact Lesley @ LawnswoodEnquiries@ericwright.co.uk. Thank you for your continued patience during the works. You can contact us at any time at the email address below: LawnswoodEnquiries@ericwright.co.uk
