## Year 11 Taster Day – Wednesday 17 December

On Wednesday 17 December, we welcome the year 11 students for their taster day. There will be no KS5 lessons at Lawnswood but lessons as normal at Ralph Thoresby. We will need you all in for period 5 to participate in the networking session with the year 11 students. Your form tutors will provide you with a list of questions the year 11 students may ask you during the rotation on Monday 8 December.

## UCAS - Two weeks to go!

**Please alert your tutor when you are ready to pay and send so that your reference is ready. School will prioritise all applications that were 'submitted' by 28 Nov and will guarantee submission to UCAS for these by 12 December. Students who declared their applications forms after the 28 Nov will be submitted at a later date and will be dealt with in order of their submission' date.**

Ensure entry requirements for your course choices match your grade predictions.

## Access to Leeds –Year 13

Students meeting certain eligibility criteria who are applying for University of Leeds are encouraged to make an Access to Leeds application at the time UCAS applications are sent off. This will mean you may receive a lower grade offer. E.g. courses requiring AAB may accept BBC predictions if your access to Leeds application is successful. The application can be printed off the UoL website - [http://www.leeds.ac.uk/info/130588/access\\_to\\_leeds](http://www.leeds.ac.uk/info/130588/access_to_leeds)

- All other courses – Wednesday 4 February 2026 at midday.

## **Opportunities**

### **University of Bradford Outreach Webinars**

We host webinars and live events throughout the year, giving you an insight into life at Bradford, along with useful and practical information and advice which will guide you through your journey to university.

### **Interview Skills – SIGN UP HERE**

**Thurs 22 Jan 2026 18:00 – 19:30**

A repeat of our November webinar for students whose university interviews are taking place later in the academic year. This webinar will help prepare you for your university interviews with our interactive workshop. Learn what to expect on the day, how to prepare, and practice a range of interview formats. This session is for Year 13 students, BTEC students, Access to HE students, and other adult learners. It's part of our Progression Scheme, which supports applicants whose backgrounds might make them less likely to receive a standard offer.

### **Student Finance – SIGN UP HERE**

**Thurs 26 Feb 2026 18:00 – 19:30**

This session will explore everything you need to know about Student Finance - Tuition Fees, Maintenance Loans, as well as looking into additional pots of money you may be eligible for. Delivered by the Money Advice team, this is a great opportunity to have your financial questions answered and who knows, you may find you are eligible for more money than you thought!!

### **Applications to Aon's Work Insight Programme are now open**

Aon's Work Insights Programme aims to help Y12 and Y13 students understand and experience the world of financial and professional services, so that they can explore a career in this sector. We would specifically recommend this opportunity to any students who are interested in careers within the corporate world, especially in business or finance, or those who are interested in exploring apprenticeships after they finish year 13. This programme is also a social mobility programme and will prioritise students who access free school meals and/or a sixth form bursary.

Students will participate in direct mentorship with Aon employees, develop their teamwork skills by working on group projects, and engage in company-wide networking. Lunch will be provided, and travel will be reimbursed.

**The programme will run from 18-20 February 2026, and applications will close on 18 January 2026.**

For more information, please email [aonwex@connectr.com](mailto:aonwex@connectr.com) and a member of the team will schedule a call with you.

### **Applications for the online Accelerate programme for Year 12 students are now open!**

**About Accelerate** - Accelerate is a year-long academic and pastoral support programme for Year 12 students who intend to study science, technology, engineering, mathematics, or medicine at university. Through a range of online academic tutorials, university information sessions, and additional activities hosted by Imperial College London, Accelerate aims to support you with your A Level studies and ensure that you are as prepared as possible for the next step in your educational journey. Through this programme you will:

- Develop the skills you need to achieve a top grade in A Level Physics or Chemistry;
- Build your confidence when applying to research-intensive universities like Imperial College London, which require an A/A\* in your chosen subject;
- Gain an insight into undergraduate level study, and what it is like to be a student at Imperial College London.

#### **What to expect on the programme**

For 2026 entry, we will be running two strands: a Physics strand and a Chemistry strand.

Both strands will consist predominantly of fortnightly after-school online tutorials on either Tuesdays or Thursdays, plus several online university information and guidance sessions. You may only apply for one strand - Physics or Chemistry. [Accelerate | Be inspired | Imperial College London](#)

### **Leeds Futures - applications are now open – Year 12**

Leeds Futures provides students with the opportunity to learn more about a subject area they are interested in pursuing at university, whilst developing their study skills and careers awareness. Students enrolling on the programme choose to specialise in a particular subject area. They will then attend a variety of subject-related activities alongside receiving advice and guidance on practical matters such as UCAS applications, accommodation choices and student finance.
