Assembly

Year 13 – 22.4.26 – Getting Exams Ready - Ms Ullah – Sixth Form Library

Attendance is compulsory

Reminder - Important Messages:

1. Punctuality to lesson

To ensure we maintain high standards and expectations you will not be allowed in lessons if they are more than 5 minutes without a valid reason - your parents will need to communicate this with the school. If you have a double lesson, you will be allowed into the second half. If you are late, your parents will be contacted and consequences put in place by your subject teachers. Ensure you are on time!!!

2. Lanyards

Ensure they are on and visible throughout the day, this includes in main reception when you sign in and out. Thank you.

UCAS

Students who missed the session from the University of Bradford can get advice from the UCAS website or speak to Ms Ullah if you are concerned about the process. The main points to note are:

It is highly advisable to wait for ALL your offers before taking any action so you can consider your response carefully.

- You are required to make one FIRM choice – this will be your most favoured university with achievable entry requirements
- you must then make your INSURANCE choice – be careful to make sure that this has a lower entry requirement to your first choice and that you are prepared to go there. NB On results day, if you don't meet the entry requirements for your first choice, the insurance choice will become your firm offer and you will be expected to take this up.
- Finally, you will need to decline any other offers.

Reply dates - These are based on when we get the last decision in from your unis or colleges. Check your application to see your personal deadline.

- If you receive your last decision on or before **31 March 2026**, your reply date is **6 May 2026** (except if you're using Extra to find a place).
- If you receive your last decision on or before **13 May 2026**, your reply date is **3 June 2026** (except if you're using Extra to find a place).
- If you receive your last decision on or before **15 July 2026**, your reply date is **22 July 2026** (including Extra choices).

Opportunities

Trainee Biomedical Scientist Apprentice - London and Greater London

Over 4 years, you will complete an IBMS accredited BSc (Hons) Applied Biomedical Science degree while working in one of our pathology laboratories. You will be in one of our London/Greater London laboratories. You'll be supported through a comprehensive training programme to achieve HCPC registration as a Biomedical Scientist. Biomedical scientists work in healthcare laboratories diagnosing diseases and evaluating the effectiveness of treatment by analysing patient samples such as bloods, fluids and tissue samples.

Biomedical Scientists are considered the 'engine room' of modern medicine with approximately 70% to 80% of diagnoses in the NHS based on pathological results provided by laboratory services.

Discover Finance work experience

Discover Finance is here to shake things up. Our unique rotational approach gives young people an insight into the potential of a career in finance. By joining our programme, they see the breadth of skills, roles, cultures and organisations that make up the finance eco-system, inspiring them to learn more about a career in finance. A work insight programme where Year 12-13s are invited to spend time at local firms across 2 days. Students will hear from a range of firms and employees; undertake a real workplace project and grow both their skills and understanding of the sector. Post programme, they will have access to information about early careers roles at the host firms. A multi-day work experience at BDO with potential for another host firm to be confirmed at a later date.

The programme will take place on 2 days between the 7 - 9 July 2026 with final dates to be announced soon. Scan the QR code and fill out a 15 minute application with your key details and why you would like to take part in the programme. **The deadline is the 15 May 2026.** We will let you know if your application has been successful by late May 2026. Best of luck with your application.

Join the Project Route Youth Advisory Group (Ages 15–25)

Project Route is currently seeking enthusiastic and open-minded young people (aged 15–25) from across the UK to join our virtual Youth Advisory Group. The Group will bring together diverse voices to help shape the future of careers in the transport industry. It offers students a unique chance to develop new skills, build confidence, and collaborate with industry professionals while contributing their ideas to a real-world project. Importantly, students do not need any prior knowledge or experience in transport. We are keen to hear from those who are simply curious, willing to learn, and interested in exploring new opportunities.

We are particularly looking for students who:

- 🧠 Are aged 15–25
- 🚗 Are interested in discovering new career pathways and developing skills
- 🗣️ **Would value the opportunity to make an impact and engage with industry professionals**

By participating, students will have the opportunity to:

- 🗣️ Share their perspectives and have their voices heard
- ✂️ Contribute to meaningful discussions and projects
- 🚗 Gain insight into careers within the transport sector

We are committed to inclusivity and welcome applications from all backgrounds - every perspective is valuable.

Applications Close in 3 Weeks for Yr12 Summer School

An opportunity for Year 12 students to attend a four day, fully funded Summer School at the University of Reading to learn about a career in property. Every day we are influenced by the built environment around us – shops, offices, industrial buildings, houses and the surrounding countryside all have an impact on the way we live. The Pathways to Property Summer School allows students the chance to explore the property industry in more depth. With such a huge variety of roles, from a building surveyor or town planner to a sustainability consultant or financial analyst, there is a role to suit any skillset or personality.

Date: 14 -17 July 2026

Venue: University of Reading

Who: Year 12 students from state schools/colleges considering a career in property – either through University or through an apprenticeship

Cost: Nothing! All food, accommodation and travel costs are covered

During the Summer School:

- Learn about the industry and the careers available
- Meet current undergrads and apprentices as well as those who have just joined the industry
- Attend taster lectures
- Get involved in a group project and debate
- Go on a site visit
- Meet new people and learn how to network
- Experience life on a University campus
- Have fun!

How to Apply: Applications close on 19th April (the first week back from the Easter holidays). Visit the website to apply at - **P2P Summer School 2026 | Henley Live**

At the end of the week, if students are keen to learn more about property they can complete a funded work experience placement over October half term, have access to our **e-mentoring** programme, and if they choose to apply to study Real Estate and Planning at any UK University they can apply for a **bursary up to £30,000** over three years. In addition students that apply to study Real Estate at Reading University will be guaranteed a conditional contextual offer and be given a **welcome bursary** on enrolment.
