19 June 2026

Dear Parent/Carer

Trips update

The Geography department have embarked on their annual visits to Hornsea with Year 10, where pupils collected fieldwork data to be used in their Paper 3 exam and also had the chance to view in real life some of the processes and features they have been studying in lessons. Year 12 Law pupils had a fascinating day at the annual Leeds Human Rights Conference, where they heard from a range of leading experts on the subject. Bradford's St George's Hall was the setting for a fantastic day of play writing, production and performance for some of our Year 9 pupils. And finally, Year 8 artists have embarked on a project in collaboration with Abbey Grange School to produce artwork for next month's Kirkstall Art Trail.

Community Day

Consent forms have now been sent to the parents / carers of all pupils who have secured a place on the trips to The Deep, the cinema, bowling, Alton Towers, and Yorkshire Wildlife Park. Please complete the consent form ASAP, and by the end of the month. If you have not received a consent form via email, please contact Mr Rhodes (james.rhodes@elawnswood.co.uk). Any pupils who are unsure whether they have secured a place should check with their form tutor, or look at the display outside F64. Pupils on the cinema trip have been invited to choose which film they would like to see, and pupils on the bowling trip have been invited to choose their lunch meal. To do this they need to respond to the ClassCharts Announcements sent this week by Mr Rhodes. The deadline to choose is Tuesday 23 June.

Leeds City College / Leeds Sixth Form College enrolment dates

Enrolment information will be sent out to students on **22 June**, and enrolment slots will be sent out at the **end of July** - students **must** book onto an enrolment slot. If they do not, they will be treated as a walk in and may miss their place on a course depending on availability.

Main enrolment will take place **20 - 28 August 10-4pm**, late night Wednesday 26 August until 7pm.

Lawnswood Roundabout Scheme – Update

In area 9C (outside Weetwood Hall) installation of the lighting columns has commenced.

In phase 4 (outside Lawnswood School) we are continuing with kerbing, and lighting columns are also being installed in this area. The redundant gas installations have been removed so works can continue.

In Phase 7 (by the Police station / sub-station) tree roots have been removed and works will commence here shortly. A pedestrian diversion is in place which we understand may be inconvenient but provides indications of safe crossing areas. Lighting column works have also commenced here.

In phase 6 we have commenced works, starting with milling out the old kerbs. The footway remains open at present, and we are liaising with residents to minimise disruption.

Key dates for next week –

Year 12 exams

Year 10 mock exams

Monday

Year 9 Water Supply Challenge with Eric Wright

Tuesday

Year 8 DofE launch assembly

Year 7 sport competition

Wimbledon trip parent meeting, 6.15pm-7pm

Wednesday

French Trip departs

Catch up HPV vaccinations

Thursday

French Trip

Kirkstall Art Trail preparation

Friday

Year 12 FOYF trip to Newcastle & Northumbria universities

Year 11 Prom, Weetwood Hall, 7-11pm

Yours faithfully

Mrs J Bell
Headteacher
