

A Level Economics

Entry Requirements

GCSE grade 5+ in English and 6+ in Maths

Knowledge & Skills gained:

- The qualification is built around a core unit with an enterprise theme, to enable students to think of a new business idea and how they might research and develop it. Students will think about how their learning applies to their own business idea.
- The qualification will introduce students to international business, equipping them either to work in or to manage a business in an international context.

Complementary Subjects

A Level ICT and Business

Future Opportunities

University - The qualification provides a solid foundation for studies at a higher level in the following subject areas: business management, business administration, accountancy and finance, human resource management, marketing, retail management, tourism management and international business.

Employment - The qualification may also lead on to a career in the commercial world, for example in banking, sales, product management or general management. Business and management skills are also considered desirable skills to have in public sector organisations or charities.
