

Rock School Performing Arts

RSL Level 2 Tech Certificate in Creative and Performing Arts

Type of subject:

Creative, practical and vocational

Additional information:

More young people than ever are attracted to becoming actors, dancers, pop stars, promoters, managers and technicians. RSL Creative and Performing Arts will give them the chance to show what they can do – and it could be the start of something big. The Performing Arts industry is worth over £4 billion to the UK economy. About 84,000 people make their living in the UK in this sector. Competition is rife, and motivation is just as essential as talent for success. Experience, either paid or unpaid, and useful contacts can make a real difference. Those with experience of helping in school or college productions, local workshops, events and festivals may be at an advantage. And it's here where a RSL Creative and Performing Arts course can really come into its own.

Why RSL?

- Can help develop confidence
- Help you work well with others
- Can help presentation and public speaking
- Helps you think creatively towards different and challenging situations
- Gives you a strong sense of self control and discipline
- Make you explore issues from different angles helping you become more empathetic

What units will I study?

Core Units:

- 201 Live Final Production of a Performance
- 212 Performing Text

How is the course assessed?

A wide variety of assessment methodologies are used in the work, group work, logbooks, workshops and recordings.
