

Lawnswood School Covid Catch up Plan 2020-21

1. Teaching and whole school strategies	Improving teaching and learning: retrieval practice and dual coding. Home learning- consolidating and developing what subjects have already implemented along with relaunch of SENECA platform. Maths strand: Elevate initiative to be trialled with Year 10 and if successful extended to KS3. English strand- improved access to texts for reading and writing initiative.
2. Targeted	KS3 recovery teacher- creating extra set in English and maths at KS3. Small group tuition with Randstad Education. Small group tuition with academic mentors. Paired reading programme. 1-2-1 support/tuition for small number of identified students. Bespoke blended learning for small number of students: Academy 21 with school attendance for core subjects only.
3. Wider strategies	Relaunch SENECA programme to increase parental engagement. Enhanced pastoral support for vulnerable students. Internal and external evaluation.

Lawnswood School
Catch-up Premium 20/21

	Action	Rationale	Estimated Costs	Impact
EEF 1 Teaching and Whole School Strategies - All students	Improving learning- dual coding and retrieval. Giving pupils the tools to remember more	This had already been identified from research as a key focus for the SIP for this year. Each subject to be given a grant to support this work for resources and training.	£4000	Each subject's work to be evaluated. 6(?) subjects to be evaluated by external evaluator, others by SLT team
	Improving home learning- SENECA	To give all pupils access to high quality IT Platform. Relaunch SENECA platform including staff and pupil training. Purchase SENECA premium.	£500	Each subject's work to be evaluated. 6(?) subjects to be evaluated by external evaluator, others by SLT team
	Improving home learning- other strategies	Each subject to review home learning packages and make improvements with money for resources.	£2500	Each subject's work to be evaluated. 6(?) subjects to be evaluated by external evaluator, others by SLT team Each subject to have new home learning programme for 2021-22
	English strand- class readers	Identified need for students to have more access to same text	£1500	English to be externally evaluated
	English strand- writing	Writing initiative including published anthology of work	£500	English to be externally evaluated
	Maths strand	Elevate programme for year 10 and then rolled out to KS4 if successful	£1000	Maths to be externally evaluated
EEF 2 Targeted Approaches	KS 3 Recovery teacher- English and maths	Creating an extra set in English and maths in KS3 to support identified group and allow other students to progress more quickly	£40000	English and maths to be externally evaluated
	Small group tuition	Support for ** pupils in ** subjects using NTP accredited tutors both on line and in school	£2500	All students tracked- however only those who attend $\geq 80\%$ of sessions to be included in analysis. Subjects chosen to be externally evaluated.

	Academic mentors	Using mentors to supervise classes so that class teachers can carry out intervention work or 1-2-1 support for small number of identified at risk students	£20000	Class teachers track progress through normal assessment procedures
	Paired reading	Using trained year 11 students to support year 7 and 8 readers	-	English to be externally evaluated
	Bespoke blended learning for small number of students: Academy 21 and school attendance for core subjects	Need for bespoke programme for those who have become disengaged as identified by RONIC	£2000	Identified students attending regularly
EEF 3 Wider Strategies	Improving parental engagement - SENECA	Relaunched SENECA platform aimed at parents so that they can support their child learning. Up grade to SENECA premium	Costed above	Parental survey June 2021
	Enhanced pastoral support	Appointment of pastoral TA to support vulnerable students as identified via RONIC	£19000	RONEET scores of identified cohort improve
	Internal evaluation and leadership	Costs of leadership time	£5000	Evaluations presented July 2021
	External evaluation	5 days of external evaluator	£2500	Evaluation presented July 2021
	HR	Costs of advertisements and setting up new contracts	£1500	High quality staff appointed to the roles identified
Total:			£102500
