

HELP STOP THE SPREAD OF CORONAVIRUS

Wear a face covering on the bus. It must cover your mouth and nose

Sit with people who are in your class bubble

Sanitise your hands before and after getting on the bus

Show respect for your classmates and the bus driver

WHY DO I NEED TO WEAR A FACE COVERING ON THE BUS?

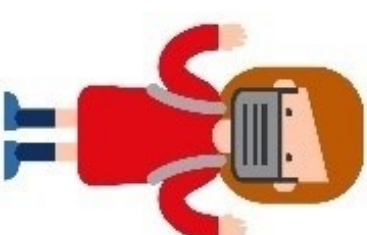

Coronavirus can spread by droplets from coughs, sneezes and speaking.

This is why social distancing, hand hygiene, and covering your mouth and nose is so important.

Wearing a face covering will reduce the spread of coronavirus, helping to protect others.

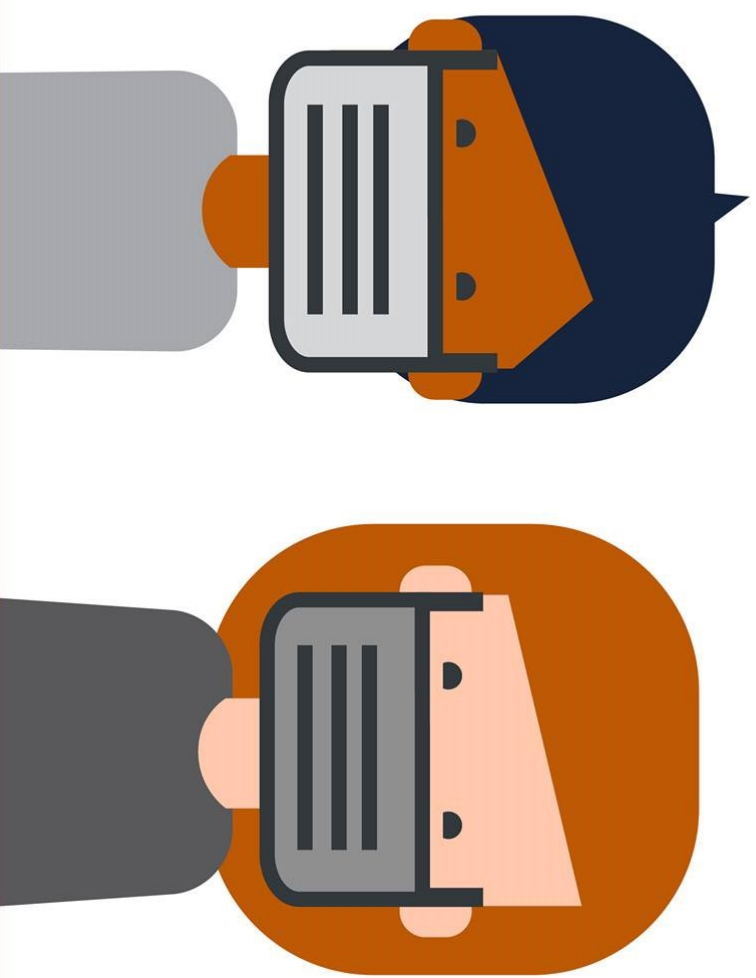

Check your school bus timetables

Travel safely to school

**Face coverings
mandatory for
11s and over
unless exempt**
